## SUMMARY

Highly motivated and skilled developer with three years of experience in software development. Proficient in testing, debugging and troubleshooting to ensure optimal functionality and user experience. Excellent problem solving abilities and keen eye for detail. Continuously staying up-to-date with the latest technologies, trends in industry. Seeking a challenging role to leverage my skills, contribute to the success of an innovative organization.

## EDUCATION HISTORY

### S.R.K.R ENGINEERING COLLEGE

Bachelor's of Technology | 2022

- Graduated with honors
- Achieved CGPA - 8.18

### NARAYANA JUNIOR COLLEGE

12th Standard | 2018

- Trained for competitive exams
- Achieved Percentage - 96

## SKILLS

- Strong organizational and time management skills
- Exceptional communication and interpersonal skills
- Ability to work independently and as part of a team
- Detail-oriented and able to handle multiple tasks simultaneously

### DATABASE :

- SQL, MySQL, MongoDB, PostgreSQL

### WEB-TECHNOLOGIES :

- HTML, CSS, Git, GitHub, Docker, SVN, Jenkins, Web-scraping, Postman, Swagger API

### PROGRAMMING LANGUAGES :

- Python, Django, NodeJS, ReactJS, ExpressJS, Javascript

## CERTIFICATIONS

- PY1010EN : Python, IBM Certificate.
- DSA : Stacks & Queues, SCALAR.
- Programming lesson, GUVI.
- Udemy courses : Django, SQL, Javascript.

## PROFESSIONAL EXPERIENCE

### SOFTWARE DEVELOPER

TATA NEXARC | JUNE 2022 - SEPTEMBER 2024

- Proficient in utilizing entities, repositories and value objects to execute CRUD operations in databases through REST APIs and maintaining Sonar error-free code through continuous code analysis.
- Experienced in identifying and resolving bugs through debugging, troubleshooting and implementing effective solutions for improved software functionality.
- Deploying code in QA environments with Jenkins involves leveraging Jenkins as a continuous integration and delivery tool to automate the deployment process

### PROGRAMME ANALYST TRAINEE INTERN

COGNIZANT | FEBRUARY 2022 - MAY 2022

- Proficient in creating technical documentation including API references, user guides to facilitate smooth knowledge transfer and ensure maintainability of software projects.
- Skilled in reviewing and refining existing code to enhance performance, reduce resource consumption and improve overall efficiency of software applications.
- Proficient in utilizing tools to monitor application performance, identify bottlenecks and implement optimizations to enhance scalability and responsiveness.

### FULL STACK DEVELOPER INTERN

ROCKTACADEMY | FEBRUARY 2021 - AUGUST 2021

- Experienced in utilizing version control systems to track changes, manage branches and collaborate effectively with team members during development and maintenance phases.
- Skilled best practices in software development, such as modularization, encapsulation, and code reusability, resulting in improved code quality and maintainability.
- Knowledgeable about implementing secure authentication mechanisms and role-based access control for backend APIs.
